Other species require a description to help BRERC check the identification.  
If you use abbreviations or codes please make sure you let us know what they mean.

Useful codes and abbreviations: m or ♂ = male, f or ♀ = female, e = egg-laying, c = copulating pair

# Butterfly Monitoring Form

Grid Reference	ST	<input type="text"/>					
----------------	----	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------

6-figure grid reference is ideal, but a 4-figure grid reference is also acceptable. All grid references in old 'Avon' begin ST.

Recording Year	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------	----------------------	----------------------	----------------------	----------------------

Recorder Name & Address	<small>all personal information is treated as confidential, and is held in compliance with the Data Protection Act.</small>
<small>all personal information is treated as confidential, and is held in compliance with the Data Protection Act.</small>	

Other Recorders	
-----------------	--

Location name (as much detail as possible please)	
---	--

Other species/Notes	
---------------------	--

This form is designed for use over a period of **one year at one locality** only.

Please add the date of your visit at the top of the form (as in the example) and use a separate column for each visit.

Tick in the column where a dragonfly is present. If possible give the sex and number seen instead of a tick.

**Please do not add anything to the columns unless a dragonfly is present.**

Please return your records to: BRERC, Blaise Museum, Henbury Road, Bristol BS10 7QS. Tel: 0117 9349833.

An electronic version of this form is available at [www.brerc.org.uk](http://www.brerc.org.uk)

### How to construct a grid reference

4-figure grid reference for the church: ST6550

6-figure grid reference for the church: ST653505

**Sketch map of locality (please indicate North). This will help us if you are unable to provide a 6-figure grid reference.**
